DECK in a BOX

Deck building was
never this easy!

DECK in a BOX – 3 DECKING PRODUCTS ALL IN 1 BOX

Better Built Decks start with DexSpan

- Patented design that utilizes aluminum instead of wood
- Will not warp, bow, split, mildew, rust or decay
- Lightweight and structurally superior to wood framing
- Engineered modularity for rapid and precise framing
- Easy to install - shortens deck construction from days to hours
- Longer lasting and low maintenance
- Limited lifetime warranty

TruNorth Decking will Stand the Test of Time

- Lower lifetime ownership cost
- Long lasting and durable
- Low maintenance and no splinters or splinters
- No revealing screws or nails
- No painting, staining or sealing
- Resists rotting, mold, pests, warping & checking
- The only non-wood based and PVC free composite using Rice Hull fibers which are proven to be resistant to moisture, swelling and less likely to grow fungi
- Limited lifetime warranty
